

REQUIRED RANGE SAFETY SESSIONS

This new one-time range safety training is required for all members, regardless of your activity of choice, if you want to continue your membership in 2027. Also needs to be completed by Dec, 2026. You only need to take it once, so if you took it last year, you're golden!

Members of our Board will try to contact the remaining members who have not yet taken this training in the coming month. Since it's been in the newsletter for 2 years, AND on your Annual Dues Invoice, we will have done our due diligence. Now it's up to you!

You may think you already know all the safety rules, and you might very well, but a refresher is never a bad idea, and it's well worth it to be able to participate at the best sportsman club in the area. Besides, we've added a new rule or two, and you'll even receive a free gift!

The dates through the end of the year are:

Oct:	Monday	Oct 5	6 p.m.
	Saturday	Oct 17	9 a.m.
	Sunday	Oct 25	11 a.m.
Nov:	Monday	Nov 2	6 p.m.
Dec:	Monday	Dec 7	6 p.m.
	Saturday	Dec 19	9 a.m.

ALL sessions begin on the Pistol Range, so come down to that parking lot shortly before the class begins. We will be outside as well as inside, so dress for the weather. To sign up, call Kathy Crandall at 269-341-5930.
