

Tuesday Night Rifle League

Our Tuesday Night rifle league begins May 16 runs through July 11. The league is sanctioned by NRA for the following rifles:

1. **Service Rifle** – basically any rifle used in the service, present or in the past, such as AR, Springfields, Garand It generally is fired using a sling and shooting coat.
2. **Match Rifle** – Any rifle designed to shoot long range. It is also fired using a sling and shooting coat.
3. **F-class** – Any rifle using a bipod or rifle rest and rear rest. These rifles are also designed to shoot long range.
4. **Tactical AR** – AR platform rifle with a bipod and rear rest.
5. **Sporting rifle** – Any centerfire hunting rifle (not NRA sanctioned)

The course of fire, known as Reduced Mid-Range, is 2 strings of 20 shots for record at 300 yds from the prone position. Course of fire can be reduced to 2 strings of 10 if you choose. Mid-Range is normally fired at 600 yds, but we use the short course targets that are reduced to simulate the 600 yd target at 300 yds. Scores will be submitted to the NRA for classification. Our electronic targets (ShotMarkers) are used, however, official scoring will be on paper score sheets.

So, all you need is a rifle, ammo and a 300 yard zero. Cost is \$8.00 every Tuesday evening. This is very good practice to perfect your shooting fundamentals and learn your rifle. There will be several NRA classified shooters shooting, who can help you with the fundamentals.

SAFETY Requirements: Eye and ear protection are mandatory. Empty chamber indicators (ECI) will be required.

If you have questions, call or text me on 269.251.3946. Charlie Reynolds
