

# Range Safety Training for ALL Existing Members

*"Wanted to drop you a note to say that the hands-on safety training was extremely beneficial. This was a great idea!"* Quote from a member who recently took the class.

Due to the safety issues and property damage incurred on the Rifle and Pistol ranges, the Board of Directors has implemented a range safety training for **ALL MEMBERS**, regardless of your activity of choice. Every new member and all existing members need to take this training by **December, 2026**. The training is being offered in conjunction with our new member orientations.

These sessions are held on the **1<sup>st</sup> Monday evening** and **3<sup>rd</sup> Saturday morning** (except March 2026). The remaining scheduled dates are listed in the club monthly calendar; available both in the on-line monthly activity calendar on our club website, and in the monthly newsletters. Dates beyond July may be approved by the BOD as needed. **Sign up now!** Call **Kathy Crandall** at **(269) 341-5930** to schedule your date and time.

Everyone who attends will sign in so we have a record of who's been trained. The plan is for this to be a one-time training for everyone. We strongly suggest other members of your family who may use the ranges attend also so EVERYONE gets this important safety training information. The safety training lasts about 45 minutes.

Please call **Kathy Crandall** at **(269) 341-5930** and let her know which date you plan to attend. We are trying to limit each session to 25 people, with new members getting the first slots.
