HUNTER SAFETY EDUCATION:

Hunter Education (HE) classes (or an equivalent firearm safety training) are required before participating in the youth shooting sports programs. The Club HE classes are conducted free of charge and several are held at the Club for youth and adults. There are also internet and home study courses. Check the MI DNR website online for class dates.

ABOUT THE SJCCC CLUB

The St. Joseph County Conservation and Sportsman Club (SJCCC), Inc. currently encompasses 182 acres and was first established in 1937 to promote conservation, fishing, hunting, and the safe, ethical participation in the shooting sports. It is an all volunteer, non-profit, 501 c (4) club.

The mixed club team is the **St. Joe County Straight Shooters** and started shooting SCTP in 2006 but was a 4H team much longer than that. The youth involved are from within our county with some from surrounding areas. We believe the future of our sport will continue if we help our youth become responsible, active participants. These programs are all about youth development. The teams receive **NRA Foundation** and **MidwayUSA Foundation** Grants and donations from others to support youth participation in these beneficial programs.

The youth programs are equal opportunity activities and do not discriminate by race, sex, religion, ethnicity, national origin; age restrictions may apply, per program or law.

THE SHOTGUN “CLAY TARGET” SPORTS

TRAP SHOOTING: A “round of Trap” is 25 randomly thrown clay targets shot at from 5 “posts”. 4-H, AIM, and SCTP each have trap shooting at the local, state, and national levels.

SKEET SHOOTING: A Skeet round is 25 crossing targets from a high and low house in a semi-circle. 4-H, SCTP, and AIM each have skeet shooting at the local, state, and/or national levels.

SPORTING CLAYS: Often called “golf with a shotgun”, as each range you go to is different in layout and target presentation. The Club has a 5-Stand Range for clays practice. Sporting Clays is offered by SCTP and AIM.

ABOUT THE PROGRAMS

You choose from any of the following:

4-H SHOOTING SPORTS:

For youth ages 12-19 the Club offers the shotgun shooting sports of trap and skeet. Double Trap may also be offered at the county level. The Club holds practices on Tuesday nights April through mid-September. The State shoot tournament is usually held in July or August and the county shoot is held in September at our Club before the St. Joseph County Grange Fair. A Fair book still project is required for trophy and medal eligibility at the Fair.

SCHOLASTIC CLAY TARGET PROGRAM:

For youth in Grades 12 and under, a Scholastic Clay Target Program (SCTP) team offers shotgun competition in trap, skeet, and/or sporting clays. The breakdown of youth groups is below:

- Rookies: Grade 5 and under
- Intermediate: Grade 6 - 8
- Senior: Grades 9-12

The team practices concurrently with the 4-H & AIM programs to allow youth to participate in all programs. SCTP has a “team” orientation versus an individual orientation. However, some individual awards are available. There are optional competitions at the local, State, and National levels. We choose which competitions we want to participate in. The National Shoot is a multi-day shoot normally held in July in Marengo, OH. There are also opportunities for Olympic “Bunker” Trap and Olympic Skeet.

AIM – Trap Shooting from ATA:

AIM stands for Academics, Integrity, and Marksmanship. This program is for youth shooters from grade school through college age. Our Club offers this program for additional optional competitive trap (*and now skeet and sporting clays*) shooting opportunities with the ATA, the Amateur Trapshooting Association. This program offers individual, as well as, team awards. The AIM National Competition is in August in Sparta, IL.

Classification by “age group” for AIM participants are as follows:

- 11 and under – Pre-sub
- 12-14 – Sub-Junior
- 15-18 – Junior
- 19-22 – Junior Gold

The age group categories are based on the youth’s age on Sept 1 of the current ATA “target year” and continues thru Aug 31.
