

Range Safety Training for ALL Existing Members

"Wanted to drop you a note to say that the hands-on safety training was extremely beneficial. This was a great idea!" Quote from a member who recently took the class.

Due to the safety issues and property damage incurred on the Rifle and Pistol ranges, the Board of Directors has implemented a range safety training for ALL MEMBERS, regardless of your activity of choice. Every member (including all existing members) needs to take this training by **December, 2026**. The training is being offered in conjunction with our new member orientations. Some **SATURDAY** classes are being added. The Pistol/Rifle Range Safety training follows after the new member classroom orientations.

The upcoming schedule is:

Monday, Feb 3:	6:00 pm	New Member Orientation (clubhouse)
	6:50 pm	Range Safety Training (pistol range)
Saturday, Feb 22:	9:00 am	New Member Orientation (clubhouse)
	9:50 am	Range Safety Training (pistol range)
Monday, Mar 3:	6:00 pm	New Member Orientation (clubhouse)
	6:50 pm	Range Safety Training (pistol range)
Monday, April 7:	6:00 pm	New Member Orientation (clubhouse)
	6:50 pm	Range Safety Training (pistol range)

Any existing member is welcome to join us. Everyone who attends will sign in so we have a record of who's been trained. The plan is for this to be a one-time training for everyone. We strongly suggest other members of your family who may use the ranges attend also so EVERYONE gets this important safety training information. The safety training lasts about 30 minutes.

Please call **Kathy Crandall** at **(269) 341-5930** and let her know which date you plan to attend. We are trying to limit each session to 25 people, with new members getting the first slots.
